

OUR HEROES DESERVE A MEDAL, NOT A PAY CUT

SIGN THE PETITION TO STOP THE NSW GOVERNMENT'S UNFAIR PAY CUT

To the Honourable Speaker and Members of the Legislative Assembly:

This petition of citizens of New South Wales brings to the attention of the House the NSW Government's plans to cut the pay of more than 400,000 public sector workers across NSW.

We, the undersigned petitioners, ask the Legislative Assembly to urgently pass legislation blocking this proposed pay cut and to commit to protecting the pay and conditions of all workers across NSW.
